DARSCO Inc. 7:30 - 4:30 Monday through Friday
Wholesale & Retail Plumbing Supplies

DARSCO Plumbing Supply Inc. sells Perlick, your total package bar equipment, refrigeration equipment and beer system provider, has risen to the occasion once again. By using lean manufacturing and automated processes, we've kept our prices down and improved on our already highest quality. Plus, we still deliver the best lead times in the industry. How do we do it? Let's just say we've had a lot of practice. 90 years worth, in fact. And we decided to celebrate by giving you a gift. Perlick. Always raising the bar.

You need look no further than DARSCO Plumbing Supply Inc. for Perlick bar and beverage systems to meet your entire bar and beverage dispensing needs. From the bar structure itself to all the equipment behind it, you will find that DARSCO provides Perlick for the whole package. Perlick was voted "Overall Best in Class" in the Underbar Equipment category for the fifth year in a row by *Foodservice Equipment & Supplies* magazine. Perlick won the overall category and was the top choice among Dealers, Consultants and Operators. According to members of the industry participating in the 'Best in Class' study, the top five qualities they look for in a manufacturer are; Quality, ability to properly service and support the product, responsiveness, knowledge of the industry and ability to deliver. DARSCO can supply you with the entire Perlick line of products to outfit your bar or restaurant with the reliable quality you require to keep your business operating smoothly
