From the beginning, Delta has sought out innovative solutions to help people use water in better ways. These smart features, found across our offering, are helping to improve the lives of more and more people every day.

ADA Compliant

Some people, and some local codes, require fixtures that are compliant with the Americans with Disabilities Act. If someone may visit who has special needs, or if you believe future buyers might appreciate this feature, Delta offers a range of compliant fixtures.

DIAMOND™ Seal Technology is Delta's revolutionary new water delivery system. An internal contact surface made up of tiny diamonds makes the valve leak-free and extraordinarily durable. It also keeps water free of contact with potential metal contaminants.

MagnaTite™ Docking

Delta's patented MagnaTite docking

Touch Clean features soft, rubber nubbins that allow you to easily wipe away calcium and lime build-up with the touch of a finger.

A soap/lotion dispenser coordinates with the look of your kitchen, and loads conveniently from the top. You won't need to keep a bottle of liquid soap or lotion on your counter.

Product that meet California AB 1953 and Vermont S152 requirements.
